Quotes

“Barbara dealt with a very complex (child sexual abuse) case which included a plethora of police disclosure and a 3-day fact find hearing. Despite the perpetrator being found not guilty in the crown court findings of sexual abuse, harassment and abusive behaviour were made against the other side all because of Barbara's excellent advocacy skills. Barbara was extremely thorough in her preparation of this case and not just provided sound advice to the client she advised instructing solicitors to ensure that there was the best outcome for the client. I highly recommend Barbara for any complex case her style of work is exemplary.” – Lalli & Co Solicitors
