

Karl Hirst

Call: 1997

Karl Hirst is a specialist in the fields of Clinical Negligence and Personal Injury, with a number of years experience behind him.

Expertise

Clinical Negligence

For a long time Karl has been recognised in the legal directories as a “real star in the senior-junior group” and thrives on securing great outcomes, even in difficult cases. He is hailed as “an excellent counsel in every respect”. His practice in conducting high-value cases involving devastating injuries is busy and well established.

Although well versed in neuro, spinal and birth injuries, claimants and defendants alike seek Karl’s input as an advisor and advocate across all cases of particular complexity or sensitivity involving a range of clinical disciplines and multitrack values.

Karl’s experienced and insightful approach, along with a great bedside manner, make him a real asset to challenging litigation. Priding himself on being attentive, accessible and responsive, you will find Karl an invaluable member of your specialist team.

The half dozen or so digests of some of Karl’s cases below provide a flavour of his practice.

Personal Injury

According to the directories, Karl is “an excellent counsel in every respect” and “a real star in the senior-junior group”.

Karl’s real interest is in working hard as part of a team to secure outstanding results that matter to his clients. His experienced insight is matched by a great bedside manner and a commitment to being attentive, accessible and responsive. He is a valuable component in any specialist team.
