

Nicholas Ferrari

Call: 2005

Nicholas Ferrari has a broad personal injury practice, and is developing his clinical negligence practice.

Expertise

Clinical Negligence

Nicholas has considerable experience of personal injury and is continuing to develop his clinical negligence practice.

Personal Injury

Nicholas has a broad personal injury practice, acting for both claimants and defendants. He regularly appears in both the County and High Court and undertakes work in high-value claims, including those involving complex and catastrophic injuries. He also has a busy paper-work practice and, so, extensive experience of advising on issues of law, quantum and tactics as well as settling pleadings.

Nicholas has considerable experience of: employers' liability; occupiers' and other public liability; product liability; highways claims; animals claims; defective premises claims; fatal accident claims; industrial disease claims (including NIHL, VWF and HAVS); and, road traffic accidents. He has a keen interest, and frequently appears, in fraudulent and exaggerated claims and has obtained many findings of Fundamental Dishonesty, both at trial and on stand-alone applications.

Credit Hire

Nicholas has extensive experience of credit hire. He acts predominantly for defendants in high value claims and often in claims giving rise to issues of enforceability and illegality.
